Preparing for Excellence English Language Arts

Grades 3, 4, 5, and 6

\$8.95
(FAMIS: \$9.50)

These test preparation workbooks, designed in accordance with New York State Learning Standards, succinctly yet thoroughly prepare 3rd, 4th, 5th, and 6th graders for the annual **New York State English Language Arts Assessment**. Using key terms, skills, strategies, and application activities, students are prepared for the state test . . . and beyond. Students will gain experience and proficiency as they master short answer and multiple choice questions, work on listening and note-taking skills, and edit passages. Each book ends with a full-scale simulation using the same format as the actual assessment. The teacher edition contains item analyses and rubrics to assist teachers in developing diagnostic information.

Preparing for Excellence: ELA Grade 6	1-893110-54-0	978-1-893110-54-0

Teacher edition is only available when ordering a complete classroom set of student books.

FLYING COLORS Mathematics

Level C, D, and E
(Grades 3, 4, and 5) **\$12.95**

These three test preparation workbooks, designed specifically for students taking the annual **New York State Mathematics Assessment**, not only offer complete preparation for the state exam, but show students that mathematics is a way of thinking, not just a series of skills and facts. Each book contains a diagnostic test to identify where extra help is needed, chapters covering all state assessment content areas, test tips, and a practice test. Books also include handy punch-out tools: ruler, counters, and pattern blocks. This series was created by education experts in accordance with New York State Learning Standards.

SOCIAL STUDIES

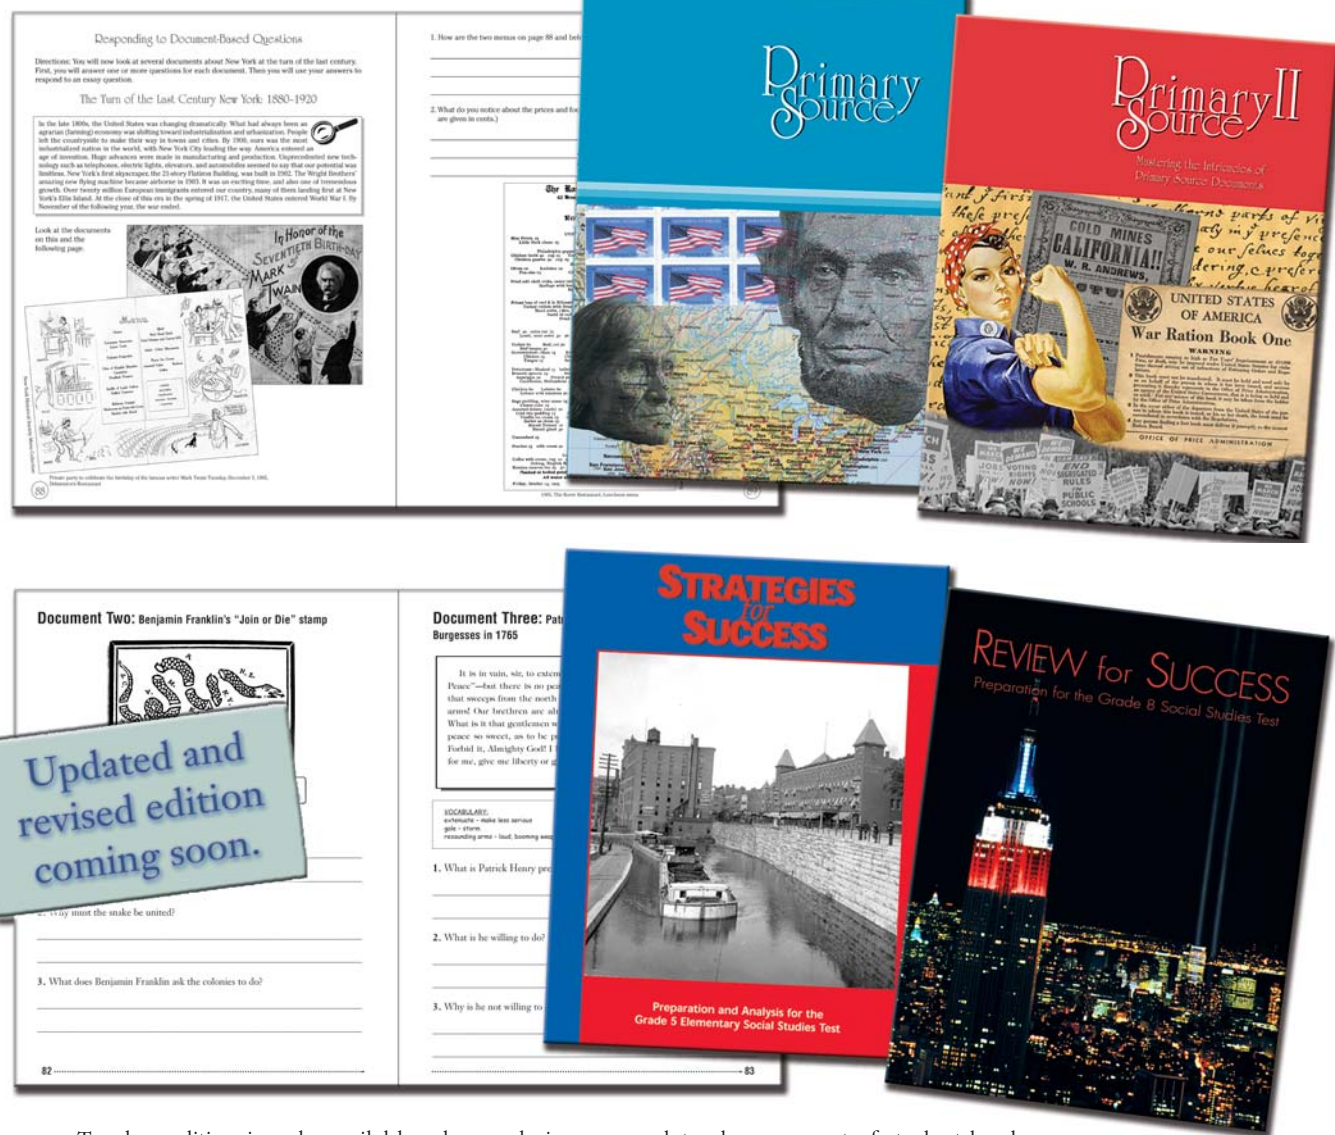

ENGLISH LANGUAGE ARTS

PRIMARY SOURCE \$7.95/\$8.95

Primary Source and *Primary Source II* prepare students for responding to document-based questions by teaching them how to view, read, and interpret a wide variety of primary source documents. These books help **3rd through 7th graders** understand, analyze, and evaluate the documents within their varied contexts. Students are asked to develop strategies, apply and practice what they have learned, and review that material in the context of current state and city assessment formats.

STRATEGIES FOR SUCCESS \$11.95 REVIEW FOR SUCCESS \$14.95

Strategies for Success and *Review for Success* are our social studies test prep books available for **grades 5 and 8** respectively. Designed specifically for students preparing to take the **New York State Social Studies** tests given in those grades, the books were developed in accordance with current guidelines put forth by the New York State Department of Education. With selected activities that also correspond to strategies needed for the fourth grade ELA examination, *Strategies for Success* is **appropriate for use in grade 4 as well**.

Updated and revised edition coming soon.

Teacher edition is only available when ordering a complete classroom set of student books.

PREPARING FOR EXCELLENCE \$8.95/\$9.50

Now available for grades 3, 4, 5, and 6. See front cover for full description.

LISTEN, TAKE NOTE! \$5.95/\$6.95

The three books in the *Listen, Take Note!* series are designed specifically for teaching students the skills and strategies of listening and note taking. Available in three different levels: **Primary (2nd grade)**, **Elementary (Level A, 3rd/4th grade)**, and **Middle (Level B, 6th grade)**. Read-aloud passages appear in the teacher edition.

POETRY POWER \$8.95

Poetry Power gives **4th through 8th graders** the opportunity to unlock the mysteries of poetry. Students will analyze the elements, forms, and rhythms of verse and free verse, exploring both figurative and literal language. In so doing they will increase verbal skills useful for classroom work, proficiency exams, and enhanced personal expression.

SMART START! \$5.95

Smart Start! offers additional language arts test preparation and skill building. Available for **grades 3, 4, 7, and 8**.

WORD FOR WORD \$7.95

Word for Word is a rich, step-by-step introduction to prose composition for students in the higher elementary grades. By means of fresh, original exercises and activities that at once stimulate observational skills and cover the fundamentals of the writing process—word selection, sentence building, and paragraph construction—*Word for Word* is designed to turn every student into a proficient writer.
