Preparing for Excellence **English Language Arts**

Preparing for Excellence Grades 3, 4, 5, and 6

\$8.95 (FAMIS: \$9.50)

These test preparation workbooks, designed in accordance with New York State Learning Standards, succinctly yet thoroughly prepare 3rd, 4th, 5th, and 6th graders for the annual New York State English Language Arts Assessment. Using key terms, skills, strategies, and application activities, students are prepared for the state test . . . and beyond. Students will gain experience and proficiency as they master short answer and multiple choice questions, work on listening and note-taking skills, and edit passages. Each book ends with a full-scale simulation using the same format as the actual assessment. The teacher edition contains item analyses and rubrics to assist teachers in developing diagnostic information.

FLYING COLORS **Mathematics**

Level C, D, and E (Grades 3, 4, and 5)

\$12.95

These three test preparation workbooks, designed specifically for students taking the annual New York State Mathematics Assessment, not only offer complete preparation for the state exam, but show students that mathematics is a way of thinking, not just a series of skills and facts. Each book contains a diagnostic test to identify where extra help is needed, chapters covering all state assessment content areas, test tips, and a practice test. Books also include handy punch-out tools: ruler, counters, and pattern blocks. This series was created by education experts in accordance with New York State Learning Standards.

PRIMARY SOURCE \$7.95/\$8.95

Primary Source and Primary Source II prepare students for responding to document-based questions by teaching them how to view, read, and interpret a wide variety of primary source documents. These books help 3rd through 7th graders understand, analyze, and evaluate the documents within their varied contexts. Students are asked to develop strategies, apply and practice what they have learned, and review that material in the context of current state and city assessment formats.

STRATEGIES FOR SUCCESS \$11.95 REVIEW FOR SUCCESS \$14.95

Strategies for Success and Review for Success are our social studies test prep books available for grades 5 and 8 respectively. Designed specifically for students preparing to take the New York State Social Studies tests given in those grades, the books were developed in accordance with current guidelines put forth by the New York State Department of Education. With selected activities that also correspond to strategies needed for the fourth grade ELA examination, Strategies for Success is appropriate for use in grade 4 as well.
